

SJH Hosts Shredding Day for Employees and the Community

Warm weather is here and everyone is doing some spring cleaning. One of the many ways to clean out clutter is to get rid of old papers. This is a job that can be overwhelming and time consuming especially if it means shredding those important documents at home. South Jersey Healthcare would like to help by inviting employees and the community to a Shredding Day.

SJH Shredding Day

Saturday, April 25, 9 a.m. - 1 p.m.

SJH Medical Office Building Parking Lot

2950 College Drive, Vineland

(located behind the SJH Regional Medical Center)

Get an early start to your spring cleaning and take advantage of this great opportunity.
